

# MCTV15 SHOW UNDERWRITING

## Helping Each Other

Underwriting programming is a great way to get your name on local television and support events in your community. Any individual or organization can underwrite programming for a local community access producer. Opportunities are available for commercial businesses, non-profit service organizations, even for government entities.

The financial commitments are between you and the producer. Typical underwriting amounts range from \$25 to \$250 per month. On air thank yous, including your logo and identification and web site acknowledgment can be provided by the producer. Money's collected by MCTV15 on behalf of producers are held in the producers account for use in paying for production costs. Underwriting amounts may also be paid directly to producers.
